

Pearson Clinical Assessment

Pearson Scoring Services

Pearson Clinical Assessment now offers a scoring service for the Q Local™ range of assessments. Our *Mail-In Scoring Service* provides reports to clinicians and organisations who do not require the immediate on-site scoring and reporting offered by Q Local™ software.

Mail-In Scoring Service

Our *Mail-In Scoring Service* ensures your answer sheets are scanned promptly and your reports are generated accurately in hard copy or PDF format as required.

Easy as 1-2-3

1. Please mail or Express Post your answer sheets to the mailing address below:

**Pearson Clinical Assessment
Scoring Services
Level 6, 287 Elizabeth Street
SYDNEY NSW 2000**

2. Mail completed answer sheets* together with a Pearson Scoring Service Processing Form (see over) or letterhead with the correct return address (we cannot accept packages or envelopes without a return address). Please include a telephone contact where we can reach you easily during business hours.

3. Available services:

Standard: Answer sheets will be processed within 24-48 hours of receipt.

Priority: Answer sheets will be processed and returned within two (2) hours of receipt.

Please note NSW Public Holidays must be taken into account.

4. Unless otherwise specified, your reports will be returned to you via Express Post at no additional charge. If requested we will email the completed reports as PDFs.
5. To ensure prompt processing of your reports, please check that all the required information has been coded correctly on your answer sheets. (e.g. gender, age, etc).

*Note:

To accurately scan and score your reports our scanning equipment can only read and capture the data using the original answer sheets. Faxed, scanned or emailed copies of answer sheets will not scan and will incur an additional charge.
